Hattiesburg Campus

Hattiesburg is the home of the original parent campus, founded in 1906. On one hundred twenty acres the campus faces a beautiful evergreen forest on the south side of the city. Thanks to its similar proximity to Jackson, Meridian, New Orleans, and Mobile, Hattiesburg is known as the Hub City with a population of 100,000. The greater Hattiesburg area is served by two airports, train, and bus facilities, Interstate 59, and several four-lane highways, one of which connects with Gulfport, an hour to the south and with Jackson, an hour and a half to the north.

The Crawfish Boil

This crawfish escaped the pot! The annual crawfish boil was held April 6th and cooked more than 1000 pounds of crawfish. Mr. Budreaux entertained the crowd with his Cajun music but more importantly, his tasty crawfish. Don't forget about the corn and potatoes either!

The SGA hosted the first ever campus awards ceremony. The theme for the program was Excellence as a Habit. Brian Lucas emceed the event in style along with student and faculty co-presenters. Tom Huebner presented the first ever Lifetime Achievement award to retiring Dr. Tom Lott.

Womanless Beauty Review

A rather strange event for Carey, the womanless beauty review seems to make the calendar every year — in H'burg and on the coast. Reagan Marsh, Emmanuel Buckley, Chaun Davis, Matt Smith, and Sam Newell needed little introduction for this pageant. The outfits said it all.

The Great Roommate Debate

As a part of the welcome back activities in the fall, the SGA hosted the Great Roommate Debate, a take-off on a popular game show. Rena Register did an excellent job going with the flow as the commentator.

Mud Bowl

The few and the proud. These students had no problem diving into the mud pit the SGA dug. Thanks to the help of the local fire department, the mud was made in about an hour and ready for action.

T-Bone and Band

Just before Christmas break, the SGA hosted T-Bone and his band to come play in Common Grounds. T-Bone is a blues great who now lives in Hattiesburg and enjoys playing in small venues like the coffeehouse. The students love him, too.

The trip to Fargo was a long one by van. The expenses added up as you can see the receipts that have to be gone through.

"I am very happy with the results of the national tournament. This marks the second national tournament in a row in which we have finished in the top three. The difference in scores of the first and second place finishers was much narrower than the last national tournament.

Stacey Collins is everywhere, and ready to take your picture.

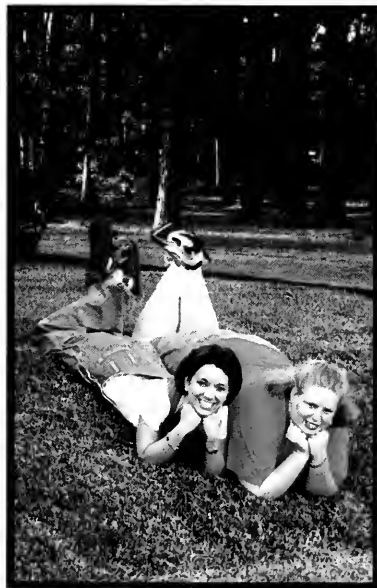

The 1998-99 yearbook has worked hard this year to bring you an excellent book. The Hattiesburg campus wants to send a special thanks to Beth Dufour and her staff on the Coast for all their time and effort put in on producing this yearbook. The Hattiesburg staff would like to give a very special thanks to those of you who

sent in pictures. Pictures is what needed to make up this scrapbook of memories. Special thanks, also, goes to Merryl Cooper who has been a rock the staff can always count on.

Editor's Page

As WCC crusades into a new millennium, we hope this book is an excellent time capsule of your memories. The 1998-99 school year saw many changes. These changes range from new leadership to the largest recorded freshman class. Changes were also seen through renovations to Polk and Bryant Halls, Green Science Chemistry wing, Crawford Hall which is now the new BSU, and the Alumni office relocated to Bentley-Pope.

Many hours were put into the creation of this 98-99 Crusader. A thanks goes out to everyone who helped out and contributed pictures. A special thanks goes to the Crusader staff on both the Hattiesburg and Coast campus. Words can not express how appreciative we are for hard work and effort.

Some of our fondest memories and lessons learned have come from the times we have spent with Merryl Cooper. When deadlines were approaching and time was drawing short, Merryl always lent a helping hand, generous heart, and her cheery

attitude. Merryl's dedication reaches beyond the yearbook room as she is involved with Cheerleading, SGA, International Club, Social Clubs, and many other activities. This is why students named her "Staff Member of the Year." Merryl, we would like to send you a great big thanks for all that you have done at WCC. WE LOVE YOU!!!

We need to apologize to Jenny Vocque for not getting your picture in the Senior section, but it was placed in Carey Student Nurses and Candid section. If any other mistakes are found, we truly want to apologize. Please feel free to inform the next yearbook staff.

We would like to leave this annual to you all with a quote from Eleanor Roosevelt, "The future belongs to those who believe in the beauty of their dreams."
